

Timber Products of Iron Mountain, Inc.

2010 MICHIGAN SMALL BUSINESS OF THE YEAR!

HISTORY

Timber Products was established in 1991. In February of 1991, Timber Products started hauling landscape bark to Chicago, IL. By November of that same year, we began hauling hickory sawdust from Pulaski, TN to Manitowoc, WI. As these customers grew, so did we.

Throughout the years Timber Products has grown to a fleet of over twenty-five trucks and hauls a variety of products to all 48 states. Such products include roll paper and casting out of the local community. Timber Products is owned and operated by Candy Lauk. Lauk was born and raised in Iron Mountain and knows the importance of small town industry.

SERVICES PROVIDED

Timber Products of Iron Mountain is your local Truckload and LTL carrier servicing all 48 states with dry vans, open top trailers, hopper bottoms, flatbeds and step decks.

- We are a minority owned business.
- LTL (less than truckload) is a great convenience to you, the customer, and can save you money.
- Call today for a rate quote from points in the U.S.A.

- All of our drivers have over 2 years experience. (We are not a training school.)
- 24 Hour on call, friendly dispatchers
- Local driving services available
